Reference: Mid-Year Report (1/1/93-6/30/93)

Dear Mr. Blea:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-On Schedule H1 of your report, your committee disclosed a ballot composition ratio of 28 percent federal. However, FEC calculations reveal the correct ratio to be 29 percent federal. In addition, Line 21(a)(ii) of the Detailed Summary Page discloses the non-federal portion of shared activity conducted by your committee to be \$74,307.83. Transfers received for joint activity exceed this amount. You are advised that 11 CFR §102.5 prohibits a non-federal account from financing activity in connection with federal elections. Please amend your report to clarify this discrepancy and transfer the excessive amount back to the non-federal account, if appropriate.

Although the Commission may take further legal action concerning this prohibited activity, your prompt action will be taken into consideration.

-Your report(s) was not signed by the treasurer or designated agent listed on your Statement of Organization. Please amend your report(s) by providing the signature of an individual that is authorized to sign the report(s). 2 U.S.C. §434(a)(1) and 11 CFR §104.14(a) and (d) If a new treasurer has been appointed, please file an amended Statement of Organization (FORM 1) or a letter to reflect this change.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this

letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

Sincerely,
